Please answer the following questions. This will help assist in presenting a course that is interesting and relevant to you as a student exploring graphic design.

What is the main reason you have decided to take this course?

What do you hope to learn/discover during your time in the graphic design course?

Have you ever taken other courses related to graphic design: visual arts, photography, graphic communications?

What areas of design interest you the most? Least?

Do you enjoy drawing?

In your opinion what makes a good teacher?
